Postpartum Support Payment Plans

At Treasured Art of Birth, we want every family to feel secure and supported as you welcome your new baby. Our postpartum doula payment plan is designed to be simple, transparent, and flexible—so you can focus on what matters most.

How Our Postpartum Payment Plan Works

- 24-hour package paid upfront as your retainer (applies to your first 24 hours of support)
- Services are scheduled and billed on a weekly basis
- Each week's payment must be made at least 2 days before your next week of service begins
- Payment must be received before the start of each service week to ensure your doula is reserved and available for your family

Example Payment Schedule

- At Booking: Pay for your first 24 hours (this secures your doula and covers your first week of care)
- Ongoing Weekly Payments: Each week, pay for your next week of scheduled hours at least 2 days before the week begins

Why Advance Payment Matters

Paying for your upcoming week in advance ensures your doula is scheduled just for you, providing consistent, uninterrupted support for your family. This approach also gives you the flexibility to adjust your schedule or add hours as your needs change.
